PETITION TO WITHDRAW HOLDING OF ABANDONMENT

Under 37 CFR § 1.181, applicant hereby petitions to withdraw a Holding of Abandonment under 37 CFR § 1.135 for failure to respond to the Office Action mailed March 16, 2005. Applicant's petition is based on failure to receive the office action.¹ Applicant also notes that a Notice of Abandonment has not been received.

The undersigned, applicant's attorney of record first became aware of the office action on June 5, 2006, after the office action was retrieved from PAIR during a status check of the application and submits that this petition to withdraw the Holding is being promptly submitted.

A search of the file jacket and docket records indicates that the Office Action was not received by the undersigned.

The following documents are submitted herewith:

¹ In *Delgar v. Schulyer*, 172 USPQ 513 (D.D.C. 1971), the court decided that the Office should mail a new Notice of Allowance in view of the evidence presented in support of the contention that the applicant's representative did not receive the original Notice of Allowance. Under the reasoning of Delgar, an allegation that an Office action was never received may be considered in a petition to withdraw the holding of abandonment. If adequately supported, the Office may grant the petition to withdraw the holding of abandonment and remail the Office action. [MPEP 711.03(c)].
